

# LIMESCALE REMOVER

EFFECTIVE REMOVAL  
OF LIMESCALE IN  
DOMESTIC AREAS

**VULCASEAL<sup>®</sup>**

# VULCASEAL<sup>®</sup>

---

## PRODUCT DESCRIPTION

---

### CHARACTERISTICS

Eliminates limescale  
Does not damage surface  
Suitable for all acid resistant surfaces

### COVERAGE

5m<sup>2</sup> per litre

Vulcaseal Limescale Remover removes limescale and other deposits from domestic areas such as taps, shower heads, baths, tiles etc. The formulation has been specially designed to prevent any harm to the surface along with providing enough strength to remove the limescale.

Vulcaseal Limescale Remover is recommended for any non-acid sensitive surfaces.

---

## APPLICATION

---

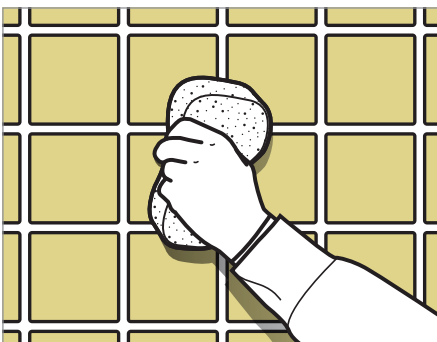

Consult MSDS before use.

Shake the container well before use.

Always carry out a test first to ensure finished result is acceptable.

Apply the product on to a scouring sponge and work into the limescale.

Once the limescale has disappeared, rinse thoroughly with water.
